

A 3D line drawing of a cylindrical component. The component has a main body and two smaller cylindrical protrusions on its front face, one on the left and one on the right. Three points are marked with black dots and labeled with circled numbers: point 2.1 is at the top center of the main body; point 2.2 is on the right protrusion; and point 2.3 is on the left protrusion.

[illegible]
